Dear Mr. Hagan:

Re: Direct Energy Regulated Services Rider “F” Rates for ATCO Gas North Service Territory for September 2010

Direct Energy Regulated Services (DERS) is filing with the Alberta Utilities Commission (Commission or AUC) a proposed rider “F” of \$3.584 per GJ for the month of September 2010 for the service territory of ATCO Gas North.

In compliance with the Alberta Utilities Commission directive in paragraph 129 of Decision 2010-317, DERS has added approved amounts for certain energy costs and margin to the GCFR to formulate Rider “F”. The DGA package used to derive the GCFR rate of \$3.507 per GJ is attached.

Additional price and weather data relating to the July 2010 and August 2010 periods as well as some explanatory notes relating to the prior period adjustments have been included in Appendix B.

Should you require additional information please contact the undersigned at 403-290-7744.

Yours truly,
