Dear Ms. Torrance:

**Re: Direct Energy Regulated Services Gas Cost Flow-through Rates for ATCO  
Gas South Service Territory for April 2008**

Direct Energy Regulated Services (DERS) is filing with the Alberta Utilities Commission (Commission or AUC) a proposed Rider "F" of \$7.781/GJ for the month of April 2008 for the service territory of ATCO Gas South.

In compliance with the Alberta Energy and Utilities Board directive on page 98 of Decision 2007-103, DERS has added the approved margin to the GCFR to formulate Rider "F". The DGA package used to derive a GCFR rate of \$7.732 per GJ is attached. DERS has included the R-10 A S (DETAIL) schedule as a separate attachment labeled Detailed Reconciliation Schedule South (April 08) in order to reconcile the R-5 schedule.

Additional price and weather data relating to the February 2008 and March 2008 periods as well as some explanatory notes relating to the prior period adjustments have been included in Appendix B.

Should you require additional information please contact the undersigned at 403-290-4635.

Yours truly,
