Gary Newcombe:

Please accept this letter as a confirmation that I have reviewed the Rates to be filed by DERS for the month of August 2009. My concurrence with the calculated Rates is limited to the Energy Charge component only; and based on a review of the calculations I would concur that they have been determined in accordance with the Energy Price Setting Plan (EPSP) for 2006 to 2011.

I would also confirm that the calculations for the Alternative Financial Arrangements and the New RRO, based on procurement of products at or better than Target Prices, are correct and for the New RRO, that these prices represent forward prices during the June 17th to July 23rd time period for 7X24 and 7X16 products.

Thanks

Sheldon Fulton
President
