Dear Mr. Hagan:

**Re: Direct Energy Regulated Services Rider “F” Rates for ATCO Gas South Service Territory for November 2009**

Direct Energy Regulated Services (DERS) is filing with the Alberta Utilities Commission (Commission or AUC) a proposed Rider “F” of \$4.651 per GJ for the month of November 2009 for the service territory of ATCO Gas South.

In compliance with the Alberta Utilities Commission directive on page 3 of Order 2008-374, DERS has added the approved margin to the GCFR to formulate Rider “F”. The DGA package used to derive a GCFR rate of \$4.628 per GJ is attached.

Additional price and weather data relating to the September 2009 and October 2009 periods as well as some explanatory notes relating to prior period adjustments are included in Appendix B.

Lastly, DERS has included in the November 2009 GCFR, the prior period adjustment identified in AUC Regulatory Audit Report 2009-003. Please see Attachment 2 for details of the related prior period adjustment to working capital.

Should you require additional information please contact the undersigned at 403-290-7744.

Yours truly,
