**Attention: Becky Torrance
Manager, Edmonton Office
Utilities Branch**

Dear Ms. Torrance:

**Re: Direct Energy Regulated Services Regulated Rate Tariff Transition Rates
for the Period October 1, 2005 through December 31, 2005**

Direct Energy Regulated Services (DERS) filed with the Alberta Energy and Utilities Board (Board or EUB) the Q4 2005 Regulated Rate Tariff (RRT) transition rates for the service territory of ATCO Electric Ltd on September 23, 2005.

It has come to DERS' attention that the Rider "P" Schedule and Schedule 1 of the supporting rate schedules filed on September 23 inadvertently missed the NEC Adjustment. Attached for the Boards acknowledgement, DERS has updated the supporting rate schedules and the revised Rider "P" and Rider "P(REA)" to include the NEC adjustment.

I apologize for any inconvenience that this may have caused and should you require additional information please contact the undersigned at 403-290-4635.

Yours truly,
