Dear Ms. Torrance:

**Re: Direct Energy Regulated Services Gas Cost Flow-through Rates for ATCO  
Gas South Service Territory for July 2004**

Direct Energy Regulated Services, a business unit of Direct Energy Marketing Limited, (DERS), filed yesterday with the Alberta Energy and Utilities Board (Board or EUB) a proposed Gas Cost Flow-through Rate (GCFR) for the month of July, 2004 for the service territory of ATCO Gas South. The DGA package used to derive the July GCFR contained an error on Schedule F-3, line 10. Attached is a corrected Schedule F-3 showing a July GCFR for the South of \$6.403 per GJ. A GCFR Rate Schedule is also attached indicating a rate applicable for the South of \$6.403 per GJ.

Should you require additional information please contact the undersigned at 403-290-7745 or Corinne Grudecki at 403-290-4635.

Yours truly,
